SENIOR CLASS HISTORY

The class of 1941 embarked on the good ship East Donegal in September 1935 to navigate the uncharted course in high school. Due to the crowded building, the Seventh Grade was separated, part in the elementary building under Mr. Alva Bender and the other in the high school with Miss Grace Henderson as adviser. Wilmer Heisey was awarded the medal of merit.

When the ship entered Eighth Grade, a new addition to the school awaited it. That year Mr. J. W. Bingeman became the new principal and introduced three courses--commercial, agriculture, and general. The first May Day was presented with Frances Fackler, queen.

The next port was Ninth Grade. The school system became consolidated under the six-three-three plan and the name Maytown was changed to East Donegal Township. Soccer, a new interscholastic sport, was introduced and found great favor with the boys of E. D. H. S. The high school operetta, "Tune In", under the direction of Mr. Willard D. Newton, was a huge success. Several members of the Ninth Grade participated in this musical. The second annual May Day, with Miriam Trostle as queen, had two representatives from the ne'er-do-well Freshman Class--Pauline Weiser and Martin Barr. "The horizon widens as we climb" was the motto chosen by the class of 1941, the yellow tea rose the flower, blue and gold the class colors. The highlight of the term was the Promotion which graduated the class of 1941 from Junior into Senior High School. The speakers for this were Wilmer Heisey, Hazel Bixler, Mary Heisey, Calvin Smith, and Clayton White; Pauline and Calvin, the most outstanding members of the class, were awarded gold medals.

All was not calm on the high seas for the Sophomores. They found new responsibilities and interests and realized that high school was a new adventure. An interesting trip taken during this term was a visit to the Armstrong Linoleum Plant. The fall of 1938, field hockey for girls was introduced. Several members of the class had leads in the school operetta, "Lantern Land". Jean Huntzinger was the only tenth grade attendant to Queen Kathryn Houseal on May Day; however, several Sophomores danced the Minuet.

The jolly Juniors, more accustomed to the busy high school life, sailed steadily onward. The science classes made a profitable visit to Franklin Institute. The E. D. H. S. basketball and baseball teams were victorious in their respective leagues and the basketball boys succeeded in

SENIOR CLASS HISTORY (Cont'd.)

winning the county championship, bringing this trophy to East Donegal for the first time. The class rings and pins were purchased this year. The May Queen was Kathleen Barbour and her Junior Attendants were Jean Huntzinger, Calvin Smith, Bertie Mumma, and Earl Koser. "The Bandwagon" was presented May Day evening. The Juniors entertained the Seniors at a party and dance. The outstanding feature was Martin Barr's singing and characterizing "Playmates".

Homeward bound, the seamen were active. Five members of the class were elected to the National Honor Society. They were: Pauline Weiser, Wilmer Heisey, Calvin Smith, Mary Heisey, and Earl Koser. The Seniors visited the Lancaster Newspaper Building and County Court House. On board the East Donegal, "Hold Everything" held everyone in fun and laughter and "The Gay Nineties Review" was a hit. "Jeanie" was a pleasing summation of the operettas.

June was the completion of a very profitable and active voyage for the Class of 1941.

SENIOR CLASS SONG

(Tune- "You Walk By")

Farewell dear school, we now must all depart
With sweet mem'ries clinging to our hearts;
"The horizon widens as we climb"
Trying hard to make our lives sublime.
There we go, so happy yet so sad,
Grateful for the pleasures we have had,
Loyal, honest, we will have no fears
Throughout the coming years.

Ship ahoy, we now have set a-sail,
Our ship of life, and hope we'll ride the gale,
If it sinks before we reach our goal,
We'll do our best to reach the nearest shoal.
With faith like ours, success should not be far,
Inspired by you, has been our guiding star
All aboard--with faces toward the sun
Farewell, from us of "41".

-Pauline Weiser

SENIOR CLASS POEM

"Our Future"

Our future like a winding path
That leads o'er hill and vale,
Is hidden by a thousand turns
And mists across the trail.
As step by step we trudge along
O'er smooth or stony way,
We know not what the years may bring
Nor what may be our pay.

Our future like a mountain steep
That hides all else from view,
Is strewn with thorns and thistles,
And many a serpent, too.
But now we upward cast an eye
And think of goals sublime,
With this our cherished motto,
"The horizon widens as we climb".

And now that we must bid adieu
And part from friends so dear,
It leaves us with fond memories
Of school and teachers here.
Of books, and sports, and tests galore,
Of clubs and parties, too,
With these we leave you one and all--
"Farewell to thee, East Donegal!"

JUNIOR CLASS HISTORY

The Junior Class, the class of 1942, took shape in 1930. Throughout East Donegal Township, in one and two-room schoolhouses, the future students of E. D. H. S. were prepared. In 1936 we were joined together as a class for the first time. From Lincoln, Mt. Pleasant, Maytown, and Washington schools came our members, filled with awe at the large building which was now ours.

Our school life was made more pleasant by our introduction to basketball and our gym classes. Competing in our first intramural track meet, we upheld the honor of the class by tying for second place. The following two years we captured the Junior High Championship. Athletics, however, did not occupy all the members of the class. We were well represented also in music, dramatics and journalism. Our class, too, held its own scholastically. With the largest enrollment in school, we were always outstanding on honor rolls.

It was at the completion of the freshman year that we crossed the first threshold of scholastic life by being graduated from the Junior High School. Ours was the third annual promotion to be held. Complete with lengthy orations, music and medals, we entered into the High School.

Our first year in High School was filled with great events. It was during this year that we became the first Sophomore Class in the history of the school to win the track championships. For this we were awarded a silver cup which we determined to keep under our protection for the following years. It was as Sophomores that we placed several young men on varsity teams and delegated members to attend the May Queen, adding to the prestige which we already had obtained.

Thus, after ten years of school life, we entered the Junior Class. We started off on the right foot by presenting our first dramatic production, "Peck's Bad Boy". Under the able direction of Miss Margaret Campbell and after weeks of preparation, we enacted the play before a large audience. It was immediately pronounced a roaring success, financially as well as dramatically. Our class was honored further by the induction of a number of members into the National Honor Society.

When, following the junior year, we are placed in the highest positions that the school can give us, we hope to serve her honorably and to the best of our ability.

SOPHOMORE CLASS HISTORY

In the year 1939 we held our first class meeting at which time the following officers were selected for the term: President--Horace Seitz; Vice-President--Joyce Fryberger; Secretary--Jay Geibe; Treasurer--Dorothy Arnold. We chose "Maroon and Sand" as our class colors and the "Red Carnation" as our class flower.

This Sophomore class has made some very enviable records for itself. During the Eighth Grade we were awarded a picture as the prize for the best decorations, placed first in the annual track and forensic events at the May Day Celebration of 1940 and received the plaque. We are justly proud of this award. During this year as "green freshies" we had two representatives in the May Queen's court. We won the first prize in the Extemporaneous Speaking Contest. We were justly proud of Dorothy Ney's outstanding spelling ability and the prizes she won for the Freshmen.

Our Promotion Exercises were held May 29, 1940, at which time we presented a very interesting program whose theme was "Citizenship": Orations were given by--Betty Heibel, Mary Hess, Alice King, Margaret Henry and an interesting welcome address was delivered by our President, Horace Seitz. The music for the occasion was furnished by Ruth Smith, Robert Huntzinger, and Joyce Fryberger. Mr. Bingeman addressed the class on "Choosing Courses" and Mr. Houseal presented the awards.

We have a very active group where school music is concerned having the first two Majorettes ever elected by E. D. H. S., namely:--Betty Jane Houseal and Margaret Henry. We have four band members and three members in the school orchestra. The senior high chorus claims four of our group.

In the clubs and school organizations the Sophomores are a shining light, too, having memberships thus: Hi-Y, six; Boy Scouts, four; Future Farmers of America, five; 4-H Club, seven; Safety Patrol, seven; Lincoln Boys Club, four.

We have a class enrollment of fifty-four and find that one class member was born in Toronto, Canada, and one in Maryland. At the present time we have seven members from West Donegal Township. All the other members are placed as follows in the respective courses offered: thirteen in the general course; twenty-four in the commercial course; thirteen in the academic course; and four in the agriculture course.

FRESHMAN CLASS HISTORY

This active and hard working class of "44" was enrolled in the Junior High School of East Donegal Township in 1938. The first two years nobody noticed this class which grew steadily in size until their freshman year. When they enrolled this year the class had grown to seventy-one, but several have dropped out during the course of time.

The class represents quite a number of places. Of the sixty-six members eighteen come from Florin, five from Maytown, two from Rheems, two from Kinderhook, fifteen from Mount Joy R.D., seven from Marietta R.D., four from Elizabethtown R.D., and one from Columbia R.D. Of these, thirteen live outside the township.

When it came time for the class to choose courses some were undecided but most finally chose the commercial course. It looks as though the world will receive some good businessmen and stenographers from the twenty-two pupils who have chosen this course. There will be some college students of the sixteen who are taking the academic course. There are seventeen pupils who have chosen the general course and ten young farmers who are studying agriculture.

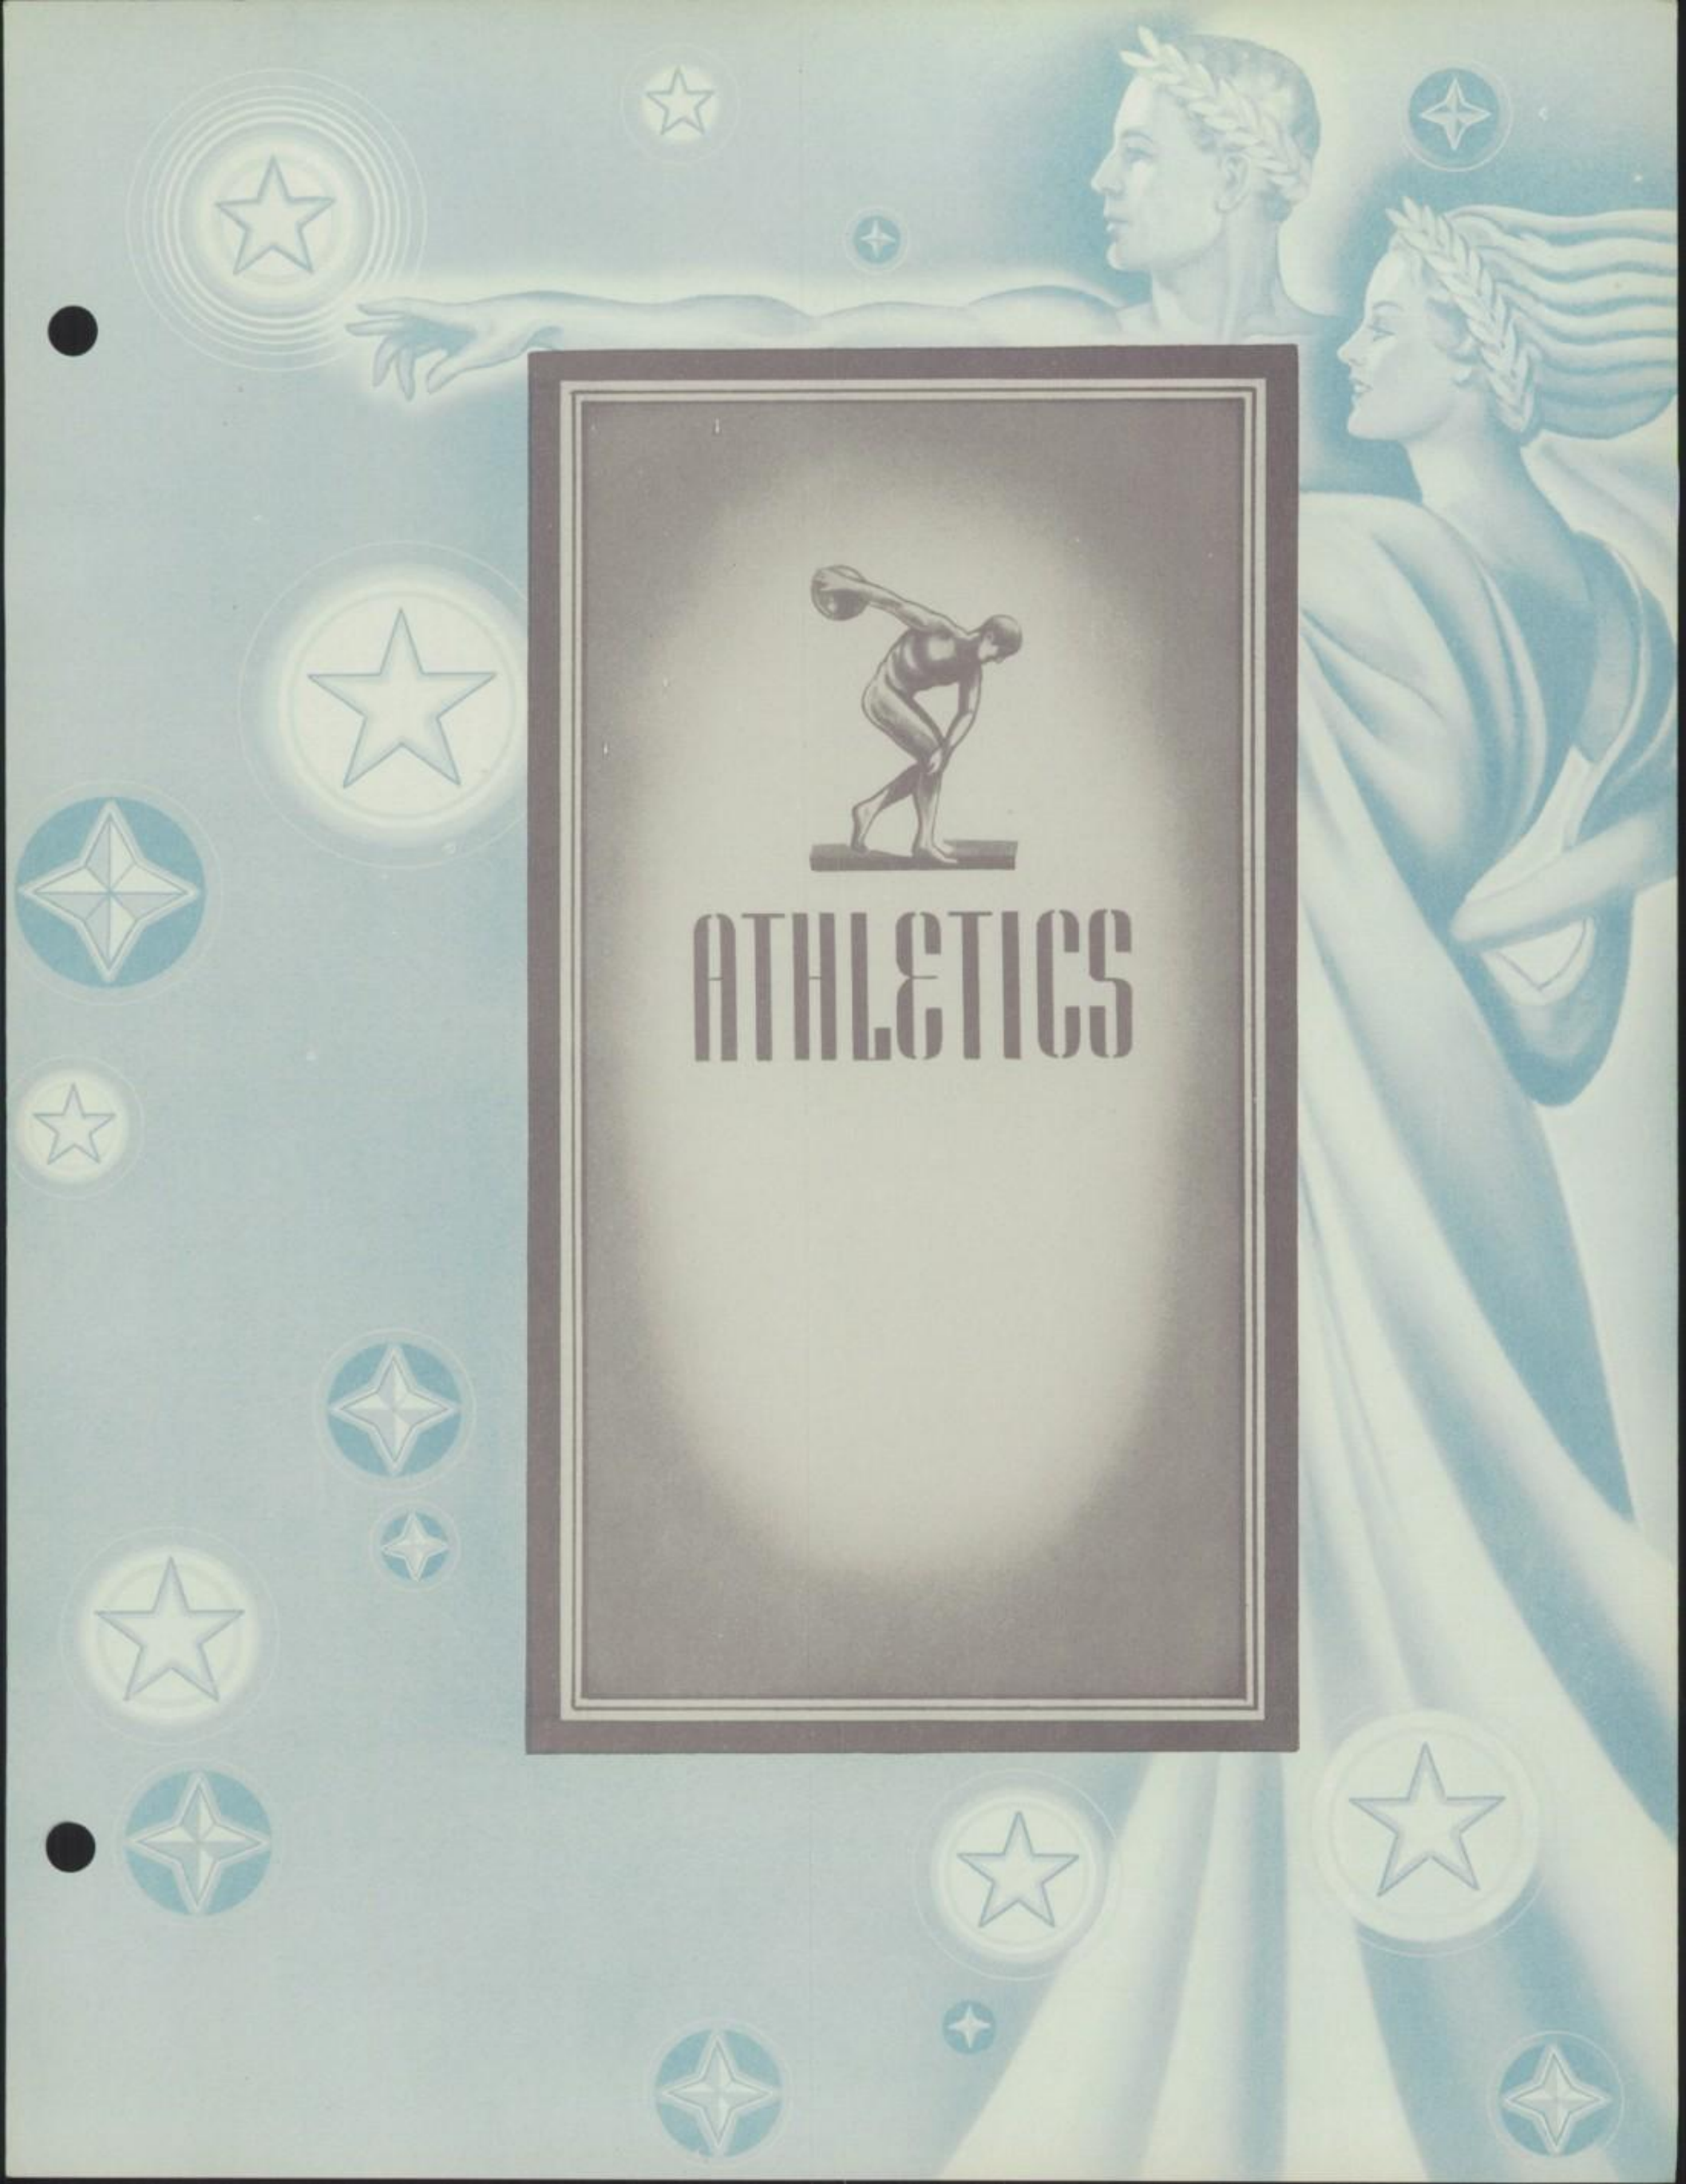

The class is proud of the members whose names have appeared on the honor rolls--several on the "A" and more on the "B" lists. The class is well-represented in other activities also. The school librarians are all freshman girls, who work in the library morning, noon, evening and during study periods. At the beginning of the year a spelling bee was held for the Junior High School. Three of the four participants from the Ninth Grade won the three prizes. On April 3rd, a roller skating party was held at the Olympia Skating Rink in Lancaster. The party was sponsored by the Ninth Grade, with a number of other students attending, too.

The class has been active in many sports. During the winter a ping-pong tournament was held. The Junior High Girls' champion was a Freshman. The class has also carried off honors in other sports, some of these being basketball, baseball, volley ball, hockey and soccer. The freshman are proud to have had five boys on the Junior High basketball team.

The students of the Freshman Class look forward to the time when they shall be looked upon by other students of the High School and by the faculty as being a class that has helped the school and the community in the past.

BOYS' BASKETBALL

The East Donegal quintet, under the direction of Coach Houseal, has completed a mediocre season, gaining eight decisions from their opposition, while dropping the same number. Although Nies and Oberholtzer were back from last year's County Championship team, the loss of Roland, White, Yohn, Kendig, and Walters was greatly felt.

Harry Oberholtzer, flashy center and forward, led the team in scoring with 76 points and was elected Captain after the regular season by the unanimous vote of the team. He was the only East Donegal player to be named on the All-Star teams in Section No. 1.

Calvin Smith, one of the forwards, was operated on for appendicitis in mid-season.

The following boys formed the East Donegal squad: Harry Oberholtzer, Calvin Smith, Raphael Nies, Earl Koser, Robert Fackler, John Leas, Dale White, Martin Barr, George Engle, Robert Hershey and Benjamin Boltz.

TENNIS

East Donegal Twp. High School's initial tennis team, under the supervision of Mr. S. F. Simmons, entered this year, for the first time, into league competition.

The first match proved very successful inasmuch as our boys held the Manheim Twp. squad to a 3-3 tie.

The schedule for the year is as follows:

April 22--Manheim Twp.	A	May 13--Open
April 25--Elizabethtown	H	May 16--Lititz
April 29--Mt. Joy	A	May 20--Patton
May 2-----Columbia	H	May 23--(For Postponement)
May 6-----Middletown	H	May 24--League Tournament
May 9-----Manheim	A	At Columbia, 9:00 A. M.

BASEBALL

SOCCER

The East Donegal Soccer squad, after finishing second to Manheim Township's champions in 1939, tied this same team in 1940. However, an experienced Mt. Joy aggregation took the championship with our team sharing second place honors with Manheim Township.

Such stars as Raphael Nies, John Leas, Earl Koser, Harry Oberholtzer, Lloyd Stoner, Hoffman Charles, Clayton White, Robert Johnson, Dale White, Bob Fackler, Marty Barr, and Calvin Smith kept the team fighting for top honors all season. Eight letter men will be lost by graduation, leaving only four to form a nucleus for next year's contenders. The results were as follows:

<u>Opponents</u>		<u>E.D.H.S.</u>
1	Manheim Township	3
3	Mt. Joy	2
0	East Hempfield	1
1	Manheim	2
4	F. & M. Academy	1
1	Manheim Township	3
2	Mt. Joy	0
0	East Hempfield	1
2	Manheim	1

BASEBALL

The East Donegal boys under the supervision of John G. Hart are expecting a successful 1941 season since Calvin Smith, Robert Tshudy, Earl Koser, Martin Barr, Raphael Nies, Dale White, and John Leas are back from last year's Northern County championship team. With such prospects as Robert Johnson, who was omitted from the lineup the previous season because of a broken arm, Roy Arnold, Robert Hershey, Clayton White, Carroll Yohn, Harry Oberholtzer, Amos Bricker, Robert Fackler, Lloyd Stoner, and Raymond Sumpman, this year's squad should equal, if not better last year's record.

The schedule for the 1941 season is as follows:

April 3, Manor Twp.--A (practice game)	April 8, Manor Twp.----H (practice game)
April 10, Mt. Joy --A	April 15, Marietta-----H
April 17, Elizabethtown--A	April 29, Mt. Joy-----H
April 22, East Hempfield--A	May 6, Elizabethtown---H
April 23, F. & M. Academy--A	May 8, East Hempfield--H
May 1, Marietta--A	May 10, F. & M. Academy-H
May 15, League winner of Section A plays the winners of Section B.	
May 20, Successful team plays winner of Section C.	

SECRET

The first of the three main points of the report is that the United States has a long and honorable history of supporting the principles of self-determination and independence for all peoples. This policy has been a cornerstone of American foreign policy since the early days of the Republic.

The second point is that the United States has a responsibility to support the development of the world's resources and to promote economic growth and stability. This is particularly true in the case of the developing countries, which are in need of assistance and support.

Finally,

the third point is that the United States has a duty to support the principles of democracy and human rights. This is a fundamental principle of American policy, and it is one that we must stand firmly behind.

The report also discusses the importance of international cooperation and the role of the United Nations. It emphasizes the need for a world of peace and stability, and for the United States to work closely with other nations to achieve these goals.

In conclusion, the report states that the United States must continue to uphold its principles and policies, and to work for a better world for all peoples. It is a call to action, and it is one that we must heed.

The report is a comprehensive and thorough analysis of the current state of the world, and it provides a clear and concise statement of American policy. It is a document that we should all read and study, and it is one that we should all support.

SAFETY PATROL

The school safety patrol, under the supervision of Mr. A. Ross Houseal, with the aid of the Captain, Calvin Smith, proves to be a valuable safety asset in the East Donegal Schools. The organization this year has seventy-one members including: Norman Ney and Wilmer Heisey, Senior Lieutenants; Charlotte Charles, Edythe Kendig, and Katherine Nies, Junior Lieutenants.

The members of this group can be distinguished by the belts which are worn with a badge bearing the initials of the American Automobile Association. The Lancaster Automobile Club is the local organization sponsoring this group.

The oath taken by everyone is: "On my honor, I will endeavor to do my duty to the Safety Patrol, and to the best of my ability to aid in promoting the safety and welfare of the pupils of East Donegal Schools".
